NOTICE OF CORRECTED MAIL BALLOT

Dear Carson City Voter:

The Carson City Clerk-Recorder is resending ballots to all Carson City voters following the discovery of an error on ballots mailed to voters. Candidate Lynn Chapman was mistakenly identified as Democrat or "DEM" on the mail ballot, but the correct designation, which appears here, is Independent American Party or "IAP".

Every voter will receive a new ballot, listing the correct party affiliation, which will be mailed the week of October 14, 2024

What do I do if I already marked and returned my original mail ballot?

- If you have already marked and returned the original mail ballot, **please complete the CORRECTED ballot, and return it according to the instructions.**

What do I do if I have not yet voted my original mail ballot?

- If you have not returned the original mail ballot, **please wait until you receive a CORRECTED mail ballot to mark your choices and return your CORRECTED ballot according to the instructions.**

Alternatively, you may appear to vote in-person during the early voting period or on Election Day. October 19, 2024 through November 1, 2024 and

Return ballot envelopes have unique IDs assigned to the voter and in-person voters are tracked through Nevada's Voter Registration Election Management System, **ensuring that only one ballot will be counted.** All returned original ballots will be held until the corrected ballot is returned or the voter votes in person. If the corrected ballot from a voter who returned the original ballot is not returned and the voter does not vote in person, the Clerk-Recorder's office will count the original ballot.

If you have any questions or concerns, please contact the Carson City Elections Department at (775) 887-2270 or elections@carson.org.
